Hootsie Rands About Her Family (RANT THREAD) ~Hootsie

I am SICK and TIRED of my parents dismissing my opinion and not taking me seriously!

Mom: You wanna come for a walk?

Me: No thanks.

Mom: Let's go then.

I mean, WHAT IS UP WITH THAT?

By the way, I just got back from said walk, it sucked.

Me: Oh mom! I'm at a really interesting part of the novel I'm writing! *Describes the chapter I just spent three days writing*

Mom: That's nice honey.

Me: You didn't even hear a word I said, did you?

Mom: Look how big that tree is!

-Later-

Me: *Walking way ahead of my mom and dog with clenched fists*

Mom: Why are you so mad?

Me: REALLY?

-Later-

Dog: *Starts running*

Me: *Starts running with dog because I was starting to enjoy myself*

Dog: *Tackles me into a snow drift (I wasn't wearing snowpants)*

Me: I am sick of that dog. *Muttering about my dog the rest of the way home (Which wasn't very far)*

Mom: *Bursts into laughter*

-A Few Minutes Later-

Me: *Walks through the door*

Dad: How was it?

Me: It sucked. Heads up, I'm going upstairs and the BEDROOM DOOR IS CLOSED FOR A REASON!

Dad: *Starts laughing*

Me: It's not funny!

Dad: Yes it is.

Me: *Storms upstairs and slams door*

-Later-

Mom: Honey, Dad and I are going to have a hot tub. Watch the dog.

Me: What the heck mom?

Mom: Have fun! *Goes out back with dad*

-Now-

Me: *Sitting on my computer, my legs are still warming up, and I'm completely ignoring the dog*

I swear, the dog gets more opinion in my family than me. Whenever I try to be serious, they just laugh at me.

I just made a playlist titled "So Mad I Want To Break Someone's Arm."

That's what I'm listening to right now.

The playlist sounds reasonable.

Families can be...

tedious.

I have a grandma visiting.

My mom has slept in my room for the entire holidays

And my parents expect too much of me

Farewell, and may you have the best possible opportunities and life. Maybe I'll be back someday, but for now I just want to say thank you for everything.

Not fun... I know how that feels. Sometimes it feels like my parents never take me or my opinion seriously. Don't blame the dog, though, they didn't know any better... *sigh* I want a dog. Ours passed away a little over a year ago... after only having her for a year and a few months...
